What are your core values and beliefs?

My core values are integrity and growth. I believe that, as a good human being, I need to be honest in every aspect of my life, so I can be a role model to people around me. I also believe that I have to grow in every possible way. I have to learn, improve, and achieve better in life.

What are your goals and aspirations?

My goal is to establish myself in a position where I can help myself, my family, and the people around me. This is the purpose of my hard work.

What are the first steps you will take to build your personal brand?

To build my personal brand, I will share my interests and everyday progress on LinkedIn.

How does personal branding differ from self-promotion, and why is this distinction important?

Personal branding is different from self-promotion because self-promotion is often exaggerated and untrue, whereas in personal branding, we share our true interests and beliefs, portraying our inner image.

What are you most proud of?

I am most proud of my learning ability and persistence. I have faced many difficulties in my life, but I never gave up.
